Welcome to Kastenmeiers!

In the very heart of Dresden we have finally found the perfect place for our new restaurant featuring fine-dining seafood: the newly reopened Kurländer Palais. With its spacious rooms and its light-flooded patio it serves as a perfect setting for culinary pleasures.

Here we spoil our guests daily with creative gourmet cuisine and excellent service.

We are looking forward to your visit!

Kind regards,

Gerd Kastenmeier

The fish restaurant in the Kurländer Palais

Sophisticated fish dishes are the specialty of the house and are prepared in our open kitchen with fresh fish delivered to our premises or fish directly from our saltwater or freshwater tanks. We have dedicated ourselves to using an aromatic combination of seasonal and local ingredients of the highest quality.

Our weekly changing menu combines delicacies of gourmet fish with freshly interpreted classics and light, often vegetarian dishes. Exquisite wines from the restaurant's own vast vinothèque complete our offer.

Let us take you on a culinary expedition in our spacious premises: Enjoy refreshing cocktails in our wine & cocktail bar, freshly caught lobster, oysters and crawfish in our bistro, culinary open air delights in our arcaded courtyard or relaxed dining à la carte in one of the two historic garden halls.
